What does this mean for you?

If you are a road access cottager and do not need your boat for access to your residence or other property, we are not allowed to provide you with your boat at this time.

If you are a water access cottager, we can prepare and launch your boat so that you can access your residence or other property. It is not supposed to be used for recreational purposes. The Ontario Stay at Home Order clearly outlines the restrictions on visiting your Other Residence.

These regulations are in place until May 20, 2021 unless changed by the Ontario Government.

We will be doing our best to provide all of the services we can, under the current regulations. We hope that everyone will understand. If you have any questions about these regulations we suggest that you contact your local Provincial Member of Parliament.

Service and Parts by Appointment Only. Curbside Drop Off and Pick Up in Effect.

Water Access Customers are Asked to Make an Appointment With The Office Before Coming to The Marina.
